### Striving to the future:

Wir bemühen uns alle und immer um die Zukunft und schauen, ob/dass die Richtung stimmt. Also lasst uns mit jedem Sonnenaufgang aufstehen und etwas tun, denn wir ringen ja um die Zukunft wie um das Beste in uns selbst.

Ein Tag beginnt für jedes Wesen neu, das Kind in uns beobachtet den Beginn eines jeden Morgens. Lasst uns jeden prächtigen Morgen mit dem Wissen und Bewusstsein der Vergangenheit begrüßen und macht unserer Umwelt klar, wie gut sie bestehen kann.

Jene, die uns vorausgegangen sind, haben uns viel gegeben. Es gibt aber Unterschiede. Gemeinsam sind wir nur stärker für die Menschen, die wir kennen. Und es gilt: Der Wert der Mitmenschen ist höher als der eigene.

Die Zukunft wird von den Tagen, die wir erleben, gestaltet. Nur wenn wir uns darum kümmern, werden die Zeiten, in denen unsere Kinder leben werden, besser sein. Hinterlasst ihnen ein Erbe mit all dem Schönen, das wir heute (noch) haben. So wie sie in die Zukunft hineinwachsen, sollen sie einmal stolz und aufrecht dastehen können.
